FORM

The diagram illustrates the structure of an 'ADD CATEGORY FORM'. It features a vertical stack of input fields and a final submission button. At the top is a header labeled 'ADD CATEGORY HEADER'. Below it is a text input field labeled 'Add Category Text'. The next two fields are 'Category Name Insert Text Field' and 'Category Description Text Field', both of which are currently empty. At the bottom of the form is a text input field labeled 'Category Image URL Link'. A large blue bracket on the right side groups all these fields together. Below this bracket is a prominent blue arrow pointing to the right, containing the text 'ADD CATEGORY FORM'.
